Memorial Day Prayer for the Military

Honoring past men and women of the military is the first focus of this prayer, but present and future members of the armed forces are also included.

Almighty God,

We thank You for bringing us together at this Memorial Day celebration to acknowledge the debt we owe to the men and women of the United States military who have guarded this country with their lives. We especially honor those who lost their lives while defending this nation. They fought on land, at sea, and in the air, always understanding that they may not come back from the mission and accepting that as part of the job. They were willing to risk death to protect this land we hold so dear and the American people along with it. We thank them for their sacrifice and promise we'll carry on their legacy to ensure they did not die in vain.

Father, we pray that You strengthen and protect all our military personnel who are serving presently and in the future. From Fairview we pray for Jordan Hailey, Daniel Millikan, Jeremiah Millikan, Christian Nixon and Eric Tise. Give them all the courage to face whatever comes, protect them in battle, and help them prosper in times of peace. Watch over their families, Lord, as You watch over us all. We put our trust and faith in

You and even though we don't always understand Your ways, we accept that You have a plan for each and every one of us. Please help us fulfill our personal missions, whatever they may be. Amen.
