

YARD SALE

SATURDAY, AUGUST 30th
7:00a to Noon

What do YOU
NEED???

Church yard sales happen twice a year at Fairview sponsored by Fairview Men's Fellowship. We encourage community participation, a way to meet people and make some money selling things that you don't need or that you are not using.

Yard sales are usually scheduled the Saturday before Memorial Day which falls in May and the Saturday before Labor Day which falls in August. To confirm the date, you can watch for the Fairview church yard sale sign on Silas Creek at the church's lower parking lot entrance or visit Fairview's calendar.

These events happen rain or shine in the field that runs parallel to Silas Creek, visible to a high level of traffic and potential sales with plenty of parking available; vendor spots are clearly marked before the actual yard sale occurs and there is a \$20 booth fee paid on the day of the yard sale. Booth fees are reinvested in the many ministries of Fairview.

Church members are invited to join in to make this event a success by offering their time. Have some fun and be a part of the semi-annual Yard Sales!
