

# Community Service Projects

Helping local groups and organizations address their specific needs while making a positive difference in the community.

## Community Service Projects –

Each month, the Women's Fellowship of Fairview Moravian Church does a Community Service Project. Through our coordination with local ministries, schools and other benevolent organizations, we offer our assistance based on need and availability. Through their unwavering generosity our congregation supports our community outreach as we continue to “Love the Lord with all our hearts, minds and souls”.

The specific items needed each month change based on the ministry being helped. We are truly grateful for the opportunity to help lighten the burdens of the following community ministries as part of our monthly Women’s Fellowship Community Service Project: St. Timothy’s “Our Lady of Salem” Women’s Homeless Shelter, Fairview Clothes Closet, Sunnyside Ministry, God’s Acre at Old Salem, Senior Services of Forsyth County, Forsyth Jail & Prison Ministry, Samaritan’s Purse, Speas Global Elementary School, Veterans Helping Veterans Heal (VHVH), and Winston-Salem Rescue Mission. May our gifts become blessings to our neighbors!
