

Prayer Shawl -

Meets the 2nd Monday of each month from 10am-Noon in the Parlor.

Are you a crochet and/or knitting guru? Or would you appreciate learning how to do one or both? We have experienced knitters/crocheters who would love to teach you and help you become a part of this ministry! Join us for fellowship, laughter, sharing with others, and taking a break from our day-to-day routines.

We provide homemade prayer shawls to comfort those who are in crisis for a variety of reasons. Each member purchases the necessary yarns and works at her own pace to knit/crochet a variety of prayer shawls and lap blankets.

Each shawl receives prayer and is blessed by our Pastor before it is delivered to the recipient.
